Re: Docket No. 00-257: Notification of Acquisition of Customers

Dear Ms. Dortch:

Charter Fiberlink - Georgia, LLC ("Charter Fiberlink") hereby notifies the Commission of its intent to acquire a portion of the customer base of James Cable, LLC ("James Cable") as described more fully below. Charter Fiberlink does not believe that Section 64.1120(e) of the Commission's Rules, 47 CFR § 64.1120(e), applies to the acquisition because, although Charter Fiberlink is a telecommunications carrier, James Cable provides interconnected Voice over Internet Protocol ("VoIP") service to the customers being acquired by Charter Fiberlink. Additionally, following the acquisition, Charter Fiberlink also will provide interconnected VoIP service to those customers. The Commission has not determined whether interconnected VoIP services are telecommunications services, nor has it yet ruled that its carrier change rules apply to interconnected VoIP services.¹ Both the Wireline Competition Bureau and the International Bureau Policy Divisions Staff have previously advised Charter Fiberlink and its affiliates in the context of similar transactions that the Commission's consent pursuant to Section 214 of the Communications Act is not required for the acquisition of interconnected VoIP customers and/or assets related thereto.² Nonetheless, Charter Fiberlink has complied with Section 64.1120(e) out of an abundance of caution.

Accordingly, Charter will begin providing telephone service to business customers currently being served by James Cable.

Subject to obtaining any state and federal regulatory approvals that may be required, **we anticipate that the transition to Charter will occur on or about April 23, 2012.** Unless you have begun using a service provider other than James Cable prior to this date, James Cable will transition your current business telephone service to Charter Business[®] service.

The rates, terms and conditions for the Charter Business service to which your current James Cable telephone service will be transitioned will remain the same at the time of this change. If you receive telephone service under a contract with James Cable, this letter also notifies you that the contract will be assigned to Charter upon completion of the asset acquisition and that the rates, terms and conditions of the contract will continue unchanged. Notice of any future changes in rates, terms and conditions of Charter Business service will be provided to you as required by law or by your contract.

Of course, you have a choice now or in the future to select a new service provider, but we are confident that you will be completely satisfied with Charter. At your request, Charter Business can reestablish preferred carrier "freeze" protection for your account after the transfer; just give us a call at 1-800-314-7195. If you do not have a "freeze" on your account, no action is required. Charter values your continued business and will gladly respond to any questions you may have about Charter Business services either prior to or during the change.

Until the actual transfer date, James Cable will continue to be responsible for all customer service and billing issues.
